

## Statistics (Science) (Combined)

University of St Andrews

### Content

The primary focus of Mathematics at St Andrews is understanding patterns and structure, and developing the tools with which to analyse them. Students of mathematics are able to describe, categorise and understand processes involved in physical or biological phenomena, as well as the structure of mathematics itself.

The study of Mathematics at St Andrews allows students to specialise in either pure or applied mathematics, from abstract theory to a range of applications in physics, computer science, biology and finance.

### Start Date

September

### Qualification

Degree

### Study Method

Full time

### Award Title

BSc Hons

### UCAS Code

Please refer to list below

### Course Length

4 years

### Faculty

Faculty of Science

### Department

Mathematics and Statistics

### Entry Requirements

2026 entry requirements

Standard entry:

5 Highers at AAAAB including Maths at A plus English at National 5 at B.

Widening access entry:

4 Highers at AABB including Maths at A plus English at National 5 at B.

Entry into second year is possible with Advanced Highers at AA including Maths plus Highers at AAAAB.

Grades may vary depending on combination taken

(B) Higher Biology required

## SCQF Level

10

## Cost

«Cost»

## Progression Routes

«ProgressionRoutes»

## Combination Courses

Statistics and Biology (B)	CG13
Statistics and Computer Science	GG34
Statistics and Economics	GL31
Statistics and Geography	FG83
Statistics and Philosophy	GVH6
Statistics and Psychology	CG23

## Address

College Gate  
St Andrews  
Fife  
KY16 9AJ
