Social Sciences

Glasgow Caledonian University

Content

Follow a career focused on understanding and changing society. Study this degree course and explore issues such as crime, justice, democracy, globalisation, immigration, gender, consumer culture and human rights.

This multi-disciplinary degree course provides you with the opportunity to develop a wide knowledge base from a selection of subject areas which include politics, history, sociology, policing and criminology.

After an introduction to the social sciences in Years 1 and 2, you may start to specialise in Year 3 and Year 4. Exchange opportunities exist in Year 3 with a range of institutions (California State University Long Beach, University of Massachusetts in Boston, Erasmus University, Rotterdam and Siegen University).
