

## Beauty Therapy

Edinburgh College

### Venues

Milton Road Campus

### Content

If you're looking to learn beauty therapy skills to a higher level this 2-year course is for you. You will be taught and assessed on basic beauty therapies and a more advanced skill set to prepare you for a career in Beauty Therapy which can lead to a more technical and supervisory level.

You will learn the therapeutic skills and knowledge you need to move into the highest level of the beauty industry by performing a variety of basic beauty therapy skills and more advanced beauty treatment plans including holistic therapies to meet industry requirements. You will also gain more hands-on experience through working in the employability salon with the high-end product company Elemis, thus enhancing your employability prospects even further.
