

Body and Spa Therapies (Level 6)

North East Scotland College

Venues

Aberdeen City Campus

Content

The course will develop your understanding and enable you to develop practical techniques of body and spa therapy and related industries whilst working effectively with colleagues and clients. Excellent practice in the promotion and selling of products/services and maintaining personal health and wellbeing, alongside practical skills in body, aroma therapy and stone therapy massage, facial electrotherapy and eye lash extension treatments will be developed.

You will learn in a realistic work environment, which provides preparation for work placement and excellent salon experience for progression to employment.
