Advanced Beauty Therapy Techniques (Level 6)

North East Scotland College

Venues

Aberdeen City Campus
Fraserburgh Campus

Content

The course will develop your understanding and equip you with practical techniques in advanced aspects of beauty therapy and related industries. You will also learn how to work effectively with colleagues and provide exceptional service to clients.

Experienced staff will guide you as you learn practical skills in body massage, facial and body electrotherapy, stone therapy, micro-dermabrasion, eyelash treatments, and personal health and wellbeing. Alongside this, you will gain practice in the promotion and selling of products and services.

You will train in a realistic work environment, which provides preparation for work placement and excellent salon experience for progression to employment.

Course includes:
Working on real clients; Client consultation and monitoring of health and safety; Face and body electrotherapy treatments; Body and hot stone massage; Microdermabrasion; Personal health and wellbeing; Underpinning knowledge for advanced beauty therapy techniques.
