

Advanced Beauty Therapy Techniques (Level 6)

North East Scotland College

Venues

Aberdeen City Campus
Fraserburgh Campus

Content

The course will develop your understanding and enable you to develop practical techniques in advanced aspects of beauty therapy and related industries and how to work effectively with colleagues and clients. Excellent practice in promoting and selling products/services will be developed alongside practical skills in body massage, facial and body electrotherapy, stone therapy, micro-dermabrasion and eyelash treatments.

You will learn in a realistic work environment, which provides preparation for work placement and excellent salon experience for progression to employment.
