

Hairdressing (Level 6)

Borders College

Venues

Scottish Borders Campus

Content

You will learn to develop your ladies and gents haircutting, colouring and styling work, enhance your fashion skills and further develop specialist hairdressing techniques within our realistic salon environment, which is open to the public during the day and evening.

Employment experience and Core Skills for working in the hairdressing industry are mandatory, timetabled parts of this programme. Students will have the opportunity to apply for extended placements within Europe, such as in Swedish salons.
