

IOSH Managing Safely - Professional Course

New College Lanarkshire

Venues

Motherwell Campus

Content

This course is a Combination of interactive classroom based lessons, team activities and practical risk assessment in your own work environment. It is ideal for people who have (or aim to have) some management responsibility for Health and Safety in the workplace and providing them with the competencies they require. The course is made up of 8 modules aimed at ensuring that safety requirements are appreciated by people employed as line managers and to enable them to review their own departmental systems for safety.

Contents:

Introduction to Managing Safely; Assessing Risks; Controlling Risks; Understanding your Responsibilities; Identifying Hazards; Investigating Accidents and Incidents; Measuring Performance; Protecting the Environment.
