

## Sport, Fitness and Coaching

Open University in Scotland

### Content

Passionate about sport and fitness? Want to make a real difference to people's lives? Gain the skills to inspire, motivate and lead through our popular online Sport, Fitness and Coaching degree. Explore the science behind how our bodies and brains work - from the importance of good nutrition to the role of psychology in sport and exercise. Whether you dream of coaching elite athletes or inspiring the next generation, you'll learn what it takes to be an effective practitioner. You'll put theory into practice, applying what you learn to real life so that you're ready for your next career step.

### Start Date

October
