Cardonald Campus
Langside Campus

Content

If you've been away from education for three years or more, Access to Nursing, run in partnership with Scottish Wider Access Programme (SWAP), can help you make a fresh start and progress to higher levels of study.

You'll be introduced to a broad range of science and healthcare subjects from first aid to dementia care, and develop your skills and knowledge on your way to doing a degree programme in nursing or a health-related field.

Contents Include:
First Aid; Foundations for care practice; The human body; Numeracy; Communication; Dementia; Understanding mental health issues; Preparing for higher education; Other nursing/health/science related units.

Start Date

August

Qualification

Access to FE/HE

Study Method

Full time

Course Length

1 year

Department

Health Care

Entry Requirements

No formal entry requirements. You must have been out of education for at least three years and your highest qualification is National 5, or equivalent; or out of education for at least five years and your highest qualification is a non-related HNC.

You will be invited to attend an interview.
