

Health and Wellbeing

University of the Highlands and Islands

Venues

Lews Castle College UHI
Virtual Learning Environment (VLE)

Content

The MA Health and Wellbeing is designed to meet the career development needs of health and social care professionals in the UK.

The course will increase your awareness of the social, technological, economic, political and environmental changes taking place within health and social care, whether in the public, private or voluntary sectors, enabling you to take your career to the next stage.

You will study core modules in the development of national and international health and social care policy, the influence of sociology, psychology and ethics on our understanding of health and wellbeing, the issues of health and social care provision in remote and rural areas as well as gaining skills in research methods.

You can exit after stage 1 with PgCert Health and Wellbeing

You can exit after stage 2 with PgDip Health and Wellbeing
