Content

Working in an early education and childcare setting and working in health and social care are both specialised fields. If you are looking to pursue a career in either sector then this introductory course will give you a thorough foundation in the subjects and offer you the perfect platform from which you can progress.

This course has been designed to provide an overview of each industry; early education and childcare and health and social care. The course covers a wide subject range and is relevant to current industry requirements. You will also learn about health and safety issues and first aid – knowledge and skills that will be of real value to prospective employers.
