Content

If you are passionate about reading, thinking and writing and would like to turn this interest into a career, the BA (Hons) Literature is ideal for you.

You will explore literature in a global context, looking in depth at language and literary history within texts and on the international literary stage.

The modules cover a wide range of authors, in English and translation, from the classical to the contemporary. With a solid foundation in genres and periods in years one and two, and research-based modules in years three and four, you will become a confident and enthusiastic writer, researcher and reader.

A range of advanced specialist modules are taught alongside more traditional content, and you are able to combine your studies with other disciplines.
