Horse Care (Level 5)

Scotland`s Rural College (SRUC)

Venues

Oatridge Campus

Content

This course is designed to give you a practical foundation on which you can progress to employment such as yard, stud or livery or other courses such as the Advanced Certificate in Horse Care or the HNC in Equine Studies.

You'll undertake early morning and weekend yard duties as part of the course. An acceptable level of fitness is required so you can ride, and carry out yard duties, safely and effectively.

Content includes: Safe Horse Handling; Grooming and Clothing; Preparation for Ridden Work; Trimming, Turnout and Clipping; Equitation; Watering and Feeding; Care of the Horse at Grass.

Start Date

September

Qualification

NC

Study Method

Full time
