## Content

The possibilities and opportunities to work within the Hospitality industry are vast. It is a very exciting place to be, with many employment opportunities. A qualification like this, will enhance your knowledge and skills, and make you more employable.

This course aims to equip students with a wide range of supervisory and managerial skills required for a career in the hospitality industry. It will promote an awareness and understanding of business principles and how they relate to the industry. This course will include human resources, finance, communication, and will develop interpersonal skills.

Students will benefit from work experience throughout the programme, in our industry leading training restaurant.
