

## Computing (3rd year entry)

UHI Orkney

### Venues

Kirkwall  
Virtual Learning Environment (VLE)

### Content

You will learn all the knowledge and skills you need to work in this sector, as well as developing key personal and intellectual qualities necessary for continued professional development.

The course provides a high quality design/development web education that has been designed to meet employers' requirements. When you graduate, you will be well equipped to implement and manage web design and development projects from start to finish.

In years three and four you can choose to study for a generic degree in computing or you can specialise in software development or technical support. This will allow you to exit at the end of the fourth year with a themed award, for example: BSc (Hons) Computing (Networking and Cybersecurity) or BSc (Hons) Computing (Software Engineering).
