UHI North Highland

### Venues

Thurso Campus

### Content

Gamekeeping offers a challenging and rewarding way of life and the emphasis on this course is the practical 'hands on' training students receive.

The way that North Highland College UHI delivers this course fully prepares students for progression routes either in full-time employment or higher education in the land-based sector.

As part of this course students will work towards the achievement of Deer Management Qualification Level 1 which is widely recognised as an industry standard in the management of wild deer.
