

Qualification for Work

North East Scotland College

Venues

Aberdeen City Campus
Fraserburgh Campus

Content

This course is aimed at students with additional learning needs who are looking to develop essential skills for employment.

The course gives learners the chance to work towards a vocational qualification whilst building on core skills established at school.

At Aberdeen City Campus learners choose from retail, hospitality, bakery, climate change & sustainability with urban gardening , people & society. At Fraserburgh Campus, learners study hospitality. All students complete units in communication, numeracy, employability, and a work placement.

The course promotes independent learning in a range of diverse subjects that will be beneficial for employment and further education.
