Content

BSc (Hons) Biological Sciences explores the fundamentals of modern environmental, plant, animal, and cell biology. You'll experience a multidisciplinary teaching and learning approach, integrating concepts from biology, chemistry, and mathematics to help you develop a holistic understanding of living systems.?

You'll learn the principles in all the main areas of biological sciences, including:?
Ecology; Zoology; Plant Science; Microbiology; Biochemistry; Molecular biology.

Biology has a significant impact on our daily lives. By studying biological sciences, you will gain an understanding of the complexities of biology, be able to apply your knowledge to other related disciplines, and address challenges such as:?
Climate change; Biodiversity loss; Emerging diseases; Food science development; Sustainable resource management.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

C120

Course Length

4 years

Faculty

Science, Technology, Engineering and Mathematics (STEM)

Department

Biological Sciences and Marine Biology

Entry Requirements

2027 entry requirements:
4 Highers at AABB (Standard entry) or BBBC (widening access entry) including a science subject plus English and Maths or Applications of Maths at National 5.

For entry to year 2 you would require 2 Advanced Highers at BB including Biology plus above.

SCQF Level

10
