

Biological Sciences (Cell and Molecular Biology)

Heriot-Watt University

Venues

Edinburgh Campus

Content

Cell and Molecular Biology (Biochemistry) is the basic science underpinning our understanding of all life processes. In this course, we cover cell and molecular biological aspects of animals and plants, and provide the broad understanding necessary for a career in the biomedical/pharmaceutical, food and biotechnological industries as well as providing a sound foundation for further research.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

CC17

Course Length

4 years

Faculty

School of Energy, Geoscience, Infrastructure and Society

Department

Biology

Entry Requirements

2024 entry requirements:

Standard entry: 4 Highers at AABB including one from Maths, Biology, Chemistry, Environmental Science, Human Biology or Physics plus English and Maths at National 5.

Widening access entry: 4 Highers at BBBC including one from Maths, Biology, Chemistry, Environmental Science, Human Biology or Physics at B plus English and Maths at National 5.

For entry to year 2 you would require 2 Advanced Highers at BB including Biology or Human Biology plus 4 Highers at AABB.

SCQF Level

10
