### Content

The MA in Finance is focused on graduate employability in the financial sector in its broadest sense. The course is a specialist degree responding to the rapid growth in global financial services. It is particularly suited to those seeking entry into the banking or investment management sectors, both nationally and internationally, covering a range of relevant specialist topics in finance.

Whilst studying this degree you will have the opportunity to enhance your employability skills through the use of Heriot-Watt's state-of-the-art Bloomberg Trading Lab which opened on Edinburgh campus in 2018. Students can use 16 industry-standard Bloomberg Trading Terminals to access up to the minute financial data and learn financial analytics as well as so much more.
