Edinburgh Campus

Content

Finance courses are taught by academics and experienced practitioners, and you will have the opportunity to make use of the university's state-of-the-art Bloomberg Finance Lab to gain employable, practical finance skills.

Throughout your studies, you'll have opportunities to develop scholarship skills, undertake professional and employability development, and engage in reflective learning. The MA (Hons) Economics and Finance degree will equip you with a wide range of quantitative, analytical and communication skills to prepare you for career paths in business, management, marketing, banking, finance, policy analysis, civil service, academia and more.
