

French and Applied Language Studies

Heriot-Watt University

Venues

Edinburgh Campus

Content

First Year: French Language studies (translation, spoken classes, aural comprehension, writing in French); Introduction to Languages and Intercultural Studies; Modern History and Culture of France. Students also study a second language, and are also be able to take courses such as Psychology, Business Management, or Economics.

Second Year: French Language (including Translation, Liaison and Conference Interpreting), and French Society and Comparative Studies. Students can continue to study a second language or choose from subjects such as British Culture, Economics, Marketing, or Teaching English to Speakers of Other Languages (TESOL). Two elective courses are also taken.

Third Year: Third year is spent abroad, either at a University attending classes relevant to your degree, or teaching English in a school.

Fourth Year: Students continue with French language studies, including courses focusing on International Organisations. Students can also study French for Business, French Interpreting, or subjects such as Marketing, Project Management, Business Policy.
