

Computer Systems

Heriot-Watt University

Venues

Edinburgh Campus

Content

The BSc Computer Systems course is designed to give you a solid foundation in computing, together with the necessary applied skills. What's more, it'll give you a range of professional skills to help you communicate clearly, work independently and co-operate effectively. In the later years of our BSc Computer Systems course, you'll also have the option to specialise and graduate with a named degree in Games Programming (5Y6J).

Start Date

September
