Mathematical Sciences

Open University in Scotland

Content

This certificate provides the basic skills you need for further study in mathematics and statistics, and is ideal if you need some mathematics to underpin your studies in other areas. You'll be introduced to pure mathematics, applied mathematics and statistics; using mathematical software; working with abstract ideas; and modelling real-world problems using mathematics.

Start Date

October, February

Qualification

CertHE

Study Method

Online learning

Course Length

Flexible

Faculty

General

Department

Mathematics

Entry Requirements

No formal entry requirements. Computer and internet access required.

SCQF Level

7

Progression Routes
