

Sound Production

New College Lanarkshire

Venues

Coatbridge Campus
Cumbernauld Campus

Content

continues on from HNC with learners further complementing their skill set utilising the department's state-of-the-art facilities to embark on a host of practical projects that cover topics such as: Advanced Studio Production, Game Audio, Live Sound Engineering, Spatial Recording & Reproduction, Mastering & Audio Restoration, Advanced Music Production, and much more.

Throughout the course you will develop an advanced understanding of the professional skills, work habits, and attitudes expected by the Music and Sound Production industry. This will include client interaction, working in teams, delivering high quality work to tight deadlines and decision making.
