Music (Level 6)

North East Scotland College

Venues

Aberdeen City Campus

Content

This course allows you to hone your craft, whether in composing, songwriting, or live performance, and to immerse yourself in music production, musicianship and the business side of the industry including working within the community.

Collaborating with fellow students, you will not only develop your own skills but also gain insights from a diverse pool of talents and perspectives. This course is a gateway to turning your passion for music into a thriving career.

You will:

Produce music with industry standard equipment in our custom-built studios; Take part in competitions and have the opportunity to perform live in the community.
