Content

Embarking on this course offers musicians a comprehensive toolkit for success in the dynamic world of music. It will heighten your understanding of music and evolving trends, ensuring that your talents are not just nurtured but also relevant. Through a blend of theory and hands-on practice, you will emerge well-equipped to progress to degree level study or employment in the industry.

The course is designed to introduce students to a wide range of musical subjects relevant to working in today's music industry and to foster the development of entrepreneurship through project realisation

You will develop your ability in music, expression and creativity to build proficiency in instrumental performance, stagecraft and composition and promote sensitivity in musical presentation.
