

Musical Theatre

New College Lanarkshire

Venues

Motherwell Campus

Content

In this highly practical course, you will have the opportunity to develop the skills required to become a triple threat musical theatre performer.

This course focuses primarily on practical learning with mandatory units in acting; voice; singing; production; jazz; ballet; tap and professional development. You will also be required to complete a Graded Unit.

Students have the opportunity to perform in two musical theatre productions throughout the academic year.

As the first recognised Educational Affiliate of Estill International, our specialist lecturers deliver some of the best vocal training in the UK.
