Coatbridge Campus

Content

The HNC Professional Dance Performance course will allow you to develop the necessary dance technique, performance and choreographic skills required for the Dance Industry. The course is designed to help you build a robust technique and prepare you for the profession as a confident and versatile dancer.

This course focuses primarily on highly practical learning and development in a variety of dance disciplines including classical ballet; contemporary; jazz; tap; commercial; production and performance; anatomy and injury prevention and body conditioning. Students will also have the opportunity to take part in industry-led workshops and classes, as part of their training, to gain knowledge and experience of current trends in the profession.
