

Professional Dance Performance

New College Lanarkshire

Venues

Coatbridge Campus

Content

This highly practical course will allow you to develop the necessary dance technique, performance and choreographic skills required for the Dance Industry. The course is designed to help you build a robust technique and prepare you for the profession as a confident and versatile dancer.

This is a vocational qualification aimed at students wishing to pursue a career in a variety of dance environments.

These courses focus primarily on practical learning and development in a variety of dance disciplines including classical ballet; contemporary; jazz; tap; commercial; production and performance; anatomy and injury prevention and body conditioning. You will also be required to complete a Graded Unit.

Students will also have the opportunity to participate in live performances.
