Acting and Theatre Performance (Acting and Performance) (Level 6)

Dundee and Angus College

Venues

Gardyne Campus

Content

This dynamic and engaging course allows learners to develop their interest in acting, theatre and performance in a highly practical way. Areas of study include: Acting, Voice, Movement, Devising and working with text.

Learners have a number of opportunities to share and perform throughout the course, which provides an excellent grounding in acting and theatre-making. Additional opportunities through the year include: theatre trips and collaborative projects across the performing arts, as well as visits from industry professionals.

Learners will develop key skills transferable to a wide range of theatre and performance settings.
