Content

This dynamic and engaging course is highly practical so you will be actively dancing most of your time at college. You will learn a range of current dance styles such as: jazz, hip hop, commercial, contemporary, ballet, choreography, performance skills, audition preparation, body conditioning, and Capoeira.

At the end of the year you will perform your showcase for a week in our purpose-built dance theatre, The Space. There will be opportunities to collaborate with others within the performing arts. You will develop key skills that are transferable to work in as wide a field of dance as possible.
