Content

This highly practical course aims to further develop professional skills in acting, performance and theatre-making. Units include: Acting, Voice, Movement, Audition Technique and Professional Development for Actors.

With our 'Specialisms' pathway, learners can develop their own areas of interest and choose from Directing, Devising, and Script Writing. There are also units in Community Drama and Leading a Workshop. You will have the opportunity to perform two text-based productions. Additional opportunities include: workshops with theatre specialists, theatre trips and collaborative projects across art forms.
