Automotive (SCQF Level 4)

SCQF Level 4 (24 Credit Points)

Why Study a Foundation Apprenticeship?

Studying for a Foundation Apprenticeship gives you the chance to combine work based qualifications such as Scottish Vocational Qualifications (SVQs) or National Certificate (NC) with practical work experience in industry.

Who Can Apply?

The Foundation Apprenticeship (FA) in Automotive is for pupils staying on at school. You can choose this FA as one of your subjects in S3 - S6.

Entry Requirements

These vary depending on which year you are in when you start the Foundation Apprenticeship. It could range from no formal entry requirements to some subjects at National 3 or 4. Check with your school for details.

Course Content

You'll develop skills and knowledge in your Skills for Work award to complete the work-based challenge unit. You'll:

- work closely with an employer
- deliver your project to a real-life client
- get an understanding of the automotive industry.

Your Skills for Work award will cover: the car, the garage, the technician, and vehicle modification.

Qualifications Gained

Skills for Work award in Automotive Skills (SCQF Level 4).

Duration

1 year.

What can I go on to next?

- A related Modern Apprenticeship - see options here
- A related further education course at college
- Straight into an entry level job.

How to Apply

To apply for a Foundation Apprenticeship you should complete an application form through your school. You may be required

to attend an interview and complete a relevant aptitude test.

Have a look at the apprenticeships.scot website to see what your school offers and to enquire.
