

Dundee and Angus College

Dundee and Angus College have three vibrant campuses across Dundee and Arbroath, two in Dundee and one in Arbroath.

With modern facilities to inspire learning, from state-of-the-art labs to performing arts venues. Students gain hands-on experience using industry-standard tools and technologies to boost their career potential after graduation.

The College has excellent links with leading universities, making it easier for students to progress to a degree programme, often directly into the second or third year.

Dundee and Angus College is home to around 20,000 full-time and part-time students across our campuses. The College is an inclusive and supportive environment where students from diverse backgrounds all come together to thrive academically and personally.

Courses and subjects

At Dundee and Angus College, there is an extensive range of courses spanning from introductory to advanced levels, including HNDs and degree programmes.

We have a wide-ranging curriculum through the following subject areas:

Access; Accounting; Animals; Land and Environment; Art and Design; Building Services and Built Environment; Business and Administration; Children and Young People; Computing and Creative Media; Construction Crafts; Engineering; ESOL, Languages and Teaching English as a Foreign Language; Events and Tourism; Fashion Business; Hair, Beauty, and Complementary Therapies; Health and Social Care; Hospitality and Professional Cookery; Performing Arts; Science; Social Science; Sport, Fitness and Uniformed Services; Supported Education.

As well as our articulation agreements with universities we have extensive connections with potential employers and industry training bodies, offering hands-on learning experiences and up-to-date skills ensuring our students are equipped with on-demand skills.

Facilities and services

The Arbroath Campus houses specialised workshops for creative arts, a hair and beauty salon, a training restaurant, technical trade facilities, and our Helping Hands Nursery. Arbroath is also the base for our agricultural and animal care courses, sited on our own farm.

The state-of-the-art Gardyne Campus in Dundee boasts leading technology, including our Esports Studios, theatre, and games development. Our Campus also includes state-of-the-art equipment including our fitness suite, swimming pool and outdoor playing fields.

The Kingsway Campus is home to The Space, an award-winning dance and theatre complex with a 200-seat theatre. It also hosts our new Hair and Beauty School with industry-standard training facilities in a contemporary

setting, alongside our amazing new Training Restaurant, "Taste@Kingsway".

In our supportive environment with access to learning labs, libraries, and social spaces across all campuses, along with student support teams across all campuses, we help our students to thrive. We also have an award-winning Students' Association to ensure that the student voice is kept at the heart of everything that we do as a College.
