UHI Moray

UHI Moray is a partner college of the University of the Highlands and Islands. It has three campuses in Elgin - The Moray Street Campus, The Linkwood Technology Centre and The Biblicial Garden.

It provides over 300 full time, part time and flexible learning opportunities to over 3,000 students.

The college is also home to Moray School of Art, one of Scotland's five art schools.

The Alexander Graham Bell Centre for Digital Health, situated in Elgin, Moray's historic administrative centre, is a research, education and business hub. The Centre has been designed to bring together the expertise in Digital Healthcare and Life Sciences within the region and across Scotland.

The Linkwood Technology Centre campus is in New Elgin. If you're planning to study courses in Built Environment, Computer Aided Drafting and Design, Engineering Systems specialising in Electronic Engineering, Mechatronics or Mechanical Engineering, that's where you'll be based.

Horticulture students learn at the Biblical Garden beside the iconic Elgin Cathedral.

Courses and subjects

Courses are available at all levels, from introductory to degree and postgraduate. There is also a range of vocational and industry qualifications.

Subject areas include: Art; Beauty Therapy; Business, Administration and Accounting; Computing and Digital Media; Construction; Counselling; Education and Childcare; Engineering; English for Speakers of Other Languages (ESOL); Essential Skills; Hairdressing and Barbering; Health Care, Social Care and First Aid; Horticulture; Hospitality and Tourism; Integrated Healthcare; Performing Arts; Science and the Environment; Social Sciences; Sport and Fitness and Supported Learning.

Facilities and services

State-of-the-art training facilities for students include a technology centre, with numerous workshops and laboratories for different engineering disciplines, the administration training suite, the hairdressing, beauty and complementary therapy salons and the training restaurant. There is also a gas, oil and renewables assessment centre at Linkwood.

Study support staff are based at the centre to help with a range of issues.

Specialisms

Moray School of Art is unique in that it is the only semi-rural located art school in Scotland, providing ideal inspiration for students in this subject area. The school has a range of facilities including a darkroom, printmaking workshop and a Mac lab.
