

## University of Strathclyde

The University of Strathclyde received its charter in 1964, though it was founded in 1796, as Anderson's Institute. It is the third largest university in Scotland, with an international reputation and outlook.

The university campus is right in the heart of Glasgow.

### Courses and Specialisms

Courses are credit based, flexible, modular courses, taught through four faculties:

- Engineering
- Humanities and Social Sciences
- Science
- Strathclyde Business School.

The university offers a range of part time and distance learning options.

You could spend part of your undergraduate course abroad through exchanges with universities in Europe, the USA, Canada, Singapore, Hong Kong, Japan, New Zealand and Australia.

Strathclyde is one of only two universities in the UK to teach Prosthetics and Orthotics.

### Students

Strathclyde has around 23,000 full and part time students. Around 15% are international students from more than 100 countries.

According to HESA, 93.6% of students from the 2016/17 academic year went into employment or further study within six months after graduating.

### Facilities and Services

The library has great facilities spread over five floors with areas suitable for individual and group study. There are numerous computer labs, with most open 24/7, as well as extensive wi-fi zones. There are also a number of cafes and bars, plus the Student Union.

Between the Students' and Sports Unions there are over 170 clubs and societies to get involved in, including course related ones, to hobbies and wellbeing.

Investment in Strathclyde's campus is set to reach £1 billion by 2025. 2018 saw the opening of the new sports building, with state of the art training facilities and a range of sport and wellbeing amenities and services to students, staff and the local community. Future developments include a £60 million learning and teaching hub, due to open in 2020, providing leading-edge facilities and a new home for student support services and the Students' Union.

## Ranking

The university is ranked 1st in the UK for Pharmacology and Pharmacy in the Complete University Guide Subject Tables 2020.

In the same guide, Strathclyde is ranked 1st in Scotland and in the UK top 10 for Chemical Engineering.
