Glasgow Kelvin College

Glasgow Kelvin College has three campuses located in the centre, north and east of Glasgow - Springburn, Easterhouse and East End. There are also around 30 affiliated learning centres located in the city centre and north and east Glasgow.

The college has around 450 staff members and 14,800 full and part time students.

Courses and subjects

A wide range of qualifications are available, including NC, NQ, SVQ, HNC, HND and professional qualifications. The college has links with Glasgow Caledonian, Strathclyde and West of Scotland Universities, as well as the Open University.

Courses are taught through the following departments: Art and Design; Automotive; Barbering, Hairdressing and Beauty; Business Admin; Childcare and Early Education; Community Development; Computer Aided Draughting and Design (CAD); Computing; Construction; Engineering; ESOL; Fashion; Gaelic; Health and Social Care; Hospitality; Jewellery; Media and Communication; Music; Music Business; Performing Arts; Photography; Science; Social Science; Sound Recording; Sport, Fitness and Adventure Sports; and, Supported Learning.

Facilities and services

All three campuses feature a range of facilities including library services and modern study spaces. The Easterhouse campus features a fitness studio which offers free access to all students.

Specialisms

In 2022/23 a new STEM learning facility at the Easterhouse Campus opened which provides a basis for the college's partnership work with South Lanarkshire Council with two new Engineering groups and two new cohorts of Construction.
