

## Fife College

Fife College is located in the east of Scotland and has five main campuses in Dunfermline (Halbeath), Kirkcaldy (St Brycedale), Glenrothes (Stenton), Levenmouth and Rosyth, with a network of local learning centres throughout Fife.

Fife college is home to around 20,000 students and 1,000 staff.

### Courses and subjects

The college offers over 400 courses across different subject areas at a range of various levels, including NC, HNC, HND, SVQ and degrees. There are over 550 progression routes to a degree through the college's partnerships with universities throughout the country.

Courses are offered under the following subject areas: Art, Design and Jewellery; Broadcast Media and Communications; Built Environment; Business, Management, and Accounting; Childcare and Early Education; Construction and Building Services; Culinary Arts and Hospitality; Digital, Computing, and Cyber; Data Science; Engineering and Energy; English (for speakers of other languages); Hair, Beauty, and Make-Up; Health and Social Care; Office Services, Legal, and Policing; Performing Arts; Photography; Science; Sound and Screen Production; Social Sciences; Space Industry; Sport and Fitness; and, Tourism and Travel.

### Facilities and services

There are libraries, student support and guidance teams, student associations, cafes, bistros and restaurants, available across all campuses. In addition, there is a theatre at St Brycedale, hair, beauty, and holistic therapy salons located at Halbeath, Stenton and St Brycedale Campuses, and a fully equipped gym with sports hall and fitness studio, also at St Brycedale. Other training facilities include construction and engineering workshops, training kitchens, recording studio and radio station, and an aircraft cabin.

The state-of-the-art Dunfermline Learning Campus is in development and will open in late 2025. It will include industry-standard workshops for engineering and construction, a university hub, training cafe, sports hall, and events hub. New outdoor facilities will include multi-use sports area, spaces for childcare courses, dining areas for hospitality students and covered workshops for built environment courses.

The college also has an award-winning Students' Association.

### Specialisms

The college has a number of specialisms, but places focus on the key employment sectors in the region, including construction, engineering, and digital technologies.

The Andrew Carnegie Business School offers professional qualifications and training courses in business, management, and leadership.
