North East Scotland College

North East Scotland College has three main campuses: City, Altens and Fraserburgh.

A fourth campus, Aberdeen Clinterty, is used exclusively as the ASET International Oil and Gas Training Academy and Engineering Training Centre. There is also the Scottish Maritime Academy at Peterhead.

The college teaches over 500 courses to around 21,000 full time and part time students.

Courses and subjects

The college runs courses leading to a range of qualifications including NC, SVQ, HNC, HND, as well as a range of professional qualifications.

Courses are taught across 18 subject areas: Art, Design and Photography; Business and Management; Care; Computing; Construction; Engineering; English and Languages; Hair, Beauty and Complementary Therapies; Maritime; Media, Communication and TV; Music, Sound Production and Drama; Professional Cookery and Hospitality; Science; Social Sciences; Sport, Fitness and Uniformed Services; Supported Programmes; Travel and Tourism; and, Vehicle Technologies.

The college has formal articulation routes with the University of Aberdeen, Robert Gordon University and many other universities across Scotland, providing opportunities to progress to degree study.

Facilities and services

Aberdeen Altens features a training restaurant with views of the sea, construction and automotive workshops, engineering workrooms and a state-of-the-art fitness suite.

At the City Campus you'll find The Basement Studio Theatre, the Gate 63 training restaurant, a range of salon and spa facilities as well as science labs, fitness facilities, photography studios and a green screen TV studio.

The Fraserburgh campus is home to the Future Zone, where you'll find workshops featuring robotics, 3D printing and virtual reality equipment. The campus also features childcare facilities, hair and beauty salons and a training restaurant.

Student support and guidance is available throughout the college.

Specialisms

The Scottish Maritime Academy at Peterhead is a nautical centre of excellence, providing specialist fishing and Merchant Navy courses.
