

## Advanced Higher French (Course Code: C830 77)

SCQF Level 7 (32 Credit Points)

### Why study French?

Learning a new language allows you to connect with different people and their cultures. The ability to use language is at the centre of thinking. You reflect, communicate and develop ideas through language.

French is the second most popular learned language in the world after English, and is spoken in around 30 countries. These include: Belgium, Canada, Switzerland and many countries in central and north Africa. It is one of the official languages of the European Union.

It is a valuable second language in many different career areas and, of course, is useful when you are on holiday or travelling in France and other French-speaking countries.
