Why study Italian?

Learning a new language allows you to connect with different people and their cultures. You think, communicate and create ideas through language.

Italian is rich in history and culture, as well as being a beautiful language to listen to, and speak. It is spoken in Switzerland, San Marino and parts of Croatia and Slovenia, as well as Italy itself.

Italy is a major economy in the world, and the seventh largest global market for British exports. So, there are plenty of opportunities to use Italian in a wide range of industries and organisations. It is one of the top five business languages currently in demand in the UK.
