

National 4 SfW Health Sector (Course Code: C261 74)

SCQF Level 4 (24 Credit Points)

Why study SfW Health Sector?

The Health Sector is one of the largest employers in the country and provides employment opportunities through a varied range of disciplines. Primary and secondary care in the NHS are the most common routes to employment, but this course will cover other areas such as complementary therapies, the retail pharmaceutical industry and the community and voluntary sectors.

The sector offers good opportunities for those who enjoy:

- working in a team
- solving problems
- learning about fitness and health.

Career Pathways
