National 4 Automotive (SCQF Level 4) (Course Code: N/A)

SCQF Level 4 (24 Credit Points)

Why study Automotive (SCQF Level 4)?

You'll develop skills and knowledge in your Skills for Work award to complete the work-based challenge unit. You'll:

- work closely with an employer
- deliver your project to a real-life client
- get an understanding of the automotive industry.

Your Skills for Work award will cover: the car, the garage, the technician, and vehicle modification.

What do I need to get in?

These vary depending on which year you are in when you start the Foundation Apprenticeship. It could range from no formal entry requirements to some subjects at National 3 or 4. Check with your school for details.

What will I study?

The Foundation Apprenticeship (FA) in Automotive is for pupils staying on at school. You can choose this FA as one of your subjects in S3 - S6.

How will I be assessed?

Skills for Work award in Automotive Skills (SCQF Level 4).

Study Materials
